

2019

SPIRIT

On April 17, 2019, Beyoncé released a Netflix documentary about her Coachella performance, 'Homecoming,' and a surprise companion album which included 40 live tracks.

July brought the premiere of The Lion King, which featured Beyoncé as Nala, the childhood friend turned love interest of the titular character, played by Donald Glover. The singer also curated and produced a companion album for the production, titled The Lion King: The Gift, and released the single "Spirit" around the time of the film's release.

In most recent news, Beyoncé's twins make first TV appearance with sister Blue Ivy. Beyoncé's songwriter LaShawn Daniels also sadly passed away, aged 41 after tragic car accident. As pregnancy rumours continue, Beyoncé decides to share new personal family photo. Baby #2?
